

Planning and Energy Act 2008

2008 CHAPTER 21

An Act to enable local planning authorities to set requirements for energy use and energy efficiency in local plans. [13th November 2008]

BE IT ENACTED by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

Modifications etc. (not altering text)

Act: power to amend conferred (26.12.2023) by Levelling-up and Regeneration Act 2023 (c. 55), ss. 132, 255(3)(a) (with s. 247)

1 Energy policies

- (1) A local planning authority in England may in their development plan documents, [F1a [F2corporate joint committee] may in their strategic development plan,] and a local planning authority in Wales may in their local development plan, include policies imposing reasonable requirements for—
 - (a) a proportion of energy used in development in their area to be energy from renewable sources in the locality of the development;
 - (b) a proportion of energy used in development in their area to be low carbon energy from sources in the locality of the development;
 - (c) development in their area to comply with energy efficiency standards that exceed the energy requirements of building regulations.

(2) In subsection (1)(c)—

"energy efficiency standards" means standards for the purpose of furthering energy efficiency that are—

(a) set out or referred to in regulations made by the appropriate national authority under or by virtue of any other enactment (including an enactment passed after the day on which this Act is passed), or
