ANON-KSAR-NKDW-5 Littleton and Harestock Parish Council	The Local Plan is seen by WCC as a key document to deliver sustainable development and support its ambitions to achieve a carbon zero district. The Local Plan will be subject to regular reviews between now and 2039 and understanding both the effectiveness of the policies and how successful (or otherwise) they are, will inform those reviews. How the monitoring of policies will be undertaken is set out in chapter at the end of the document. The focus appears to be limited to monitoring decision of planning applications and appeals. Littleton and Harestock Parish Council considers that a more comprehensive approach to monitoring should be set out which would assess the outcomes and the effectiveness of the full range of the	<p><b>Comments welcomed and noted</b></p> <p>Although the Authorities Monitoring Report does use planning applications and appeals, this makes up for a small portion of all the data used in the report. Data and information is also used and analysed from Hampshire County Council for housing completions and commitments including affordable, market, house type and location of</p>

	<p>Plan's policies and the decisions arising from them.</p> <p>Note: This comment applies to all monitoring activities.</p>	<p>dwelling in relation to policy, Hampshire Biodiversity Information Centre and Economy data such as business class losses and gains.</p> <p>This would be required during the planning application process and not in the monitoring of the development or policy</p> <p><b>Recommended response: no change</b></p>
