<p>Otterbourne is a sustainable settlement with a range of facilities and services.</p> <p>Reg19 paragraph 14.152 acknowledges that there is capacity for the development of about 75 dwellings in Otterbourne, which could be achieved through the delivery of approximately 55 new homes through new site allocations and approximately 20 new windfall dwellings.</p> <p>There are no suitable sites within the settlement boundary of Otterbourne. Hence, provision will need to be made for the release of land beyond the settlement boundary to deliver new homes.</p>

Please make sure that you put in all the evidence and information needed to support your representation.

What modification(s) are necessary to make the policy legally compliant or sound?

Amend settlement boundary.

Small-scale development opportunities that are physically, functionally and visually related to existing urban areas, could be released through a review of the settlement boundary.

The 2014 Settlement Boundary Review (which formed part of the evidence base for the current Adopted Local Plan Part 2) defined a settlement boundary as “*the limits of towns and villages, being the dividing line between built-up/urban areas (the settlement) and the non-urban or rural areas (the countryside) to define where policies apply*”.

The 2014 Settlement Boundary Review added “*where there are any obvious and suitable candidates, boundaries could be adjusted to accommodate them and provide a degree of flexibility within the housing supply*”.

Settlement boundaries should have a degree of permanence to avoid constant change over time. SHELAA ref.OT05 is enclosed by residential development adjoining the northern, western and southern boundaries, and along the eastern boundary by protected woodland which visually and physically separate the site from open countryside. The woodland creates a logical and defensible boundary to the site and establish a logical and natural edge to the urban fabric.

What is your suggested wording or text for the policy:

Amend settlement boundary to include SHELAA ref.OT05
