Dear Adrian

Sparsholt Parish Council have considered the REG19 Consultation and have no issues. However there was no place in the consultation to add additional comments.

We are again asking that you consider our request for Sparsholt to be added to the Strategic Gaps within the New Local Plan. A map of our proposed area is attached.

We are fully aware that we have had no allocations for new housing but a major Developer is presently consulting the public for 200plus houses on Land at Lanham Lane which does border our boundary. This land is currently not on your list for development, However with the new government set to insist on many more developments we are feeling extremely vulnerable. We hope that you are able to support this not unreasonable request.

Kind regards

Sue Wood
