Hi,  
I've tried to use the online system but not sure it's worked so thought I'd email  
might comment as well.

My comment:

Entirely support defining Sutton Scotney as intermediate settlement and as new site for 60 dwellings on Brightlands. The consultation on 4/9/24 was for 120 dwellings at Brightlands. The consultation should abide by what is stated in the Local Plan; consultation based on 120 dwellings does not match the Local Plan which states 60 dwellings. If 120 dwellings were built this would have a detrimental impact on cultural, social and transport elements of the village and require a different sustainability assessment.

Best regards,
